All claims must be made IMMEDIATELY AFTER RECEIPT OF STOCK.

LIABILITY and NON-WARRANTY

All quotations are for immediate acceptance and subject to stock being sold. All bookings are without liability to us should injury befall stock from frost, hail, fire, or other causes beyond our control, and subject to the standard form Non-Warranty Clause which reads: "We give no warranty, express or implied, as to description, productiveness, or any other matter, of any nursery stock, seed or bulbs we sell."
